For the ones who dance to a different rhythm and who never settle. And for those who simply refuse to accept the ordinary and wear their individuality on their sleeves - there now exists a residence that is a natural extension of those values.

Artist's Impression

The image is a high-quality architectural rendering of a modern building's exterior at dusk. The building features a prominent vertical green wall (living wall) on the upper level, which is illuminated from within, casting a warm glow. Below this, a long, narrow swimming pool stretches across the foreground, reflecting the sky and the building's lights. The pool is bordered by a low wall of dense greenery, with several small, square, illuminated planters interspersed. The building's facade is composed of large, light-colored panels, some of which are also illuminated. The sky is a soft mix of blue and orange, suggesting the time is either dawn or dusk. The overall atmosphere is serene and sophisticated.

Inclusive spaces, holistic lifestyle.

Dive right into the finer things in life. The ground level features a pristine Aura Lap Pool for a refreshing swim, and spaces that open onto lush greenery, helping you become centred as you unwind from the bustle of the day.

Artist's Impression

Interact on a different level.
